

DVS Training Courses April 5 - 9 2010 Conducted by SKZ

SKZ (Sueddeutsches Kunststoff-Zentrum) is a leader in the training and certification of personnel involved in plastics fabrication and manufacturing. This training course will be held by an accredited instructor and offers optional DVS (German Welding Society) certification in various materials and processes. For further information on SKZ please visit their web site at www.skz.de.

Location: WEGENER Welding LLC, Burr Ridge, IL

COURSE DESCRIPTION

Theoretical Training

- Structures, types, properties and strength behavior of PE, PP, PVC-U, PVDF
- Basic knowledge of welding, welding equipment requirements
- Welding procedures
 - o Hot gas high speed welding
 - o Hot gas free hand welding
 - o Hot gas extrusion welding
- Performing welds and explanation of symbols
- Process technology of extrusion welding
- Extrusion welding machines
- Criteria and influences during extrusion welding
- Determining welding parameters
- Welding records
- Performing welds
- Weld shoe geometries

Practical Training

- Welding exercises on sheets made of PVC-U, PE-HD, PP and PVDF
- Setting up and adjusting equipment
- Visual inspection
- Welding of samples for Certification
- Checking weld quality by using the technological bending test

The course provides for optional theoretical and practical DVS examination according to guidelines 2212. Material welded for the purpose of examination will be sent to Germany to the SKZ laboratory for destructive testing. While this course is beneficial for experienced welders as well as total rookies to thermoplastic welding, the examinations are best attempted by more experienced people. We'll be more than happy to explain this in more detail during a conversation.

REGISTRATION/FEEES
Course Dates: (please mark) 04/05/10 – 04/09/10

Times:	Monday:	10:00 am – 5 pm
	Tuesday – Thursday:	8:30 am – 5 pm
	Friday:	8:30 am – lunch

Training Course

(includes course manuals and lunches)

 \$1,255.00 _____

Examinations (please mark)

Extrusion Welding
